School Psychology Service

The WA State-wide School Psychology Service is continuing to provide services to our school communities through current changes due to the COVID-19 response. The School Psychology Service will be available through a range of options including telephone and video conferencing.

Maree Dawes, our Spencer Park School Psychologist is best accessed as usual through the School Administration team. You can contact the team by **telephone 08 6821 3000** or by emailing (checked regularly during work hours):

Alternatively, the School Psychologist may be contacted directly on mobile or email. Maree works Monday to Wednesday and every second Friday and will respond as soon as possible in working hours. **Telephone 0429054028** or maree.dawes@education.wa.edu.au.

Please be aware this is not a crisis service and is not monitored out of hours. Immediate help can be found via calling

- 000
- Lifeline 13 11 14
- Kids Helpline 1800 55 1800
- Urgent mental health and wellbeing help at 1800 048 636

Many support services in our community will continue to be available either face to face or phone/online, so contact your usual supports first. A good list of other services can be found via
